Schedule “A”

Town of Teulon By-Law No. 2/18
Special Services Plan #1-2018

For Waste and Recyclable curbside collection, removal and disposal service within the Town of Teulon (Pursuant to Subsection 314 of The Municipal Act)

a) Description of the Proposed Special Service

In 2002, Town council passed the Waste Management System By-law No. 5/02 establishing waste and recycling operations. By-law No. 5/02 included a provision, section 4.02, to levy a special rate for these services. As these rates have and continue to require adjustment, to adhere to the requirements under The Municipal Act, council is repealing section 4.02 of By-law No. 5/02 and establishing a special service by-law to provide the proper authority to levy a special service tax.

This proposed special service plan replaces the rates established in By-Law No. 7/12 which were set at \$70.00 and reduces it down to \$30.55 for 2018.

The proposed special service will set-up rates for waste and recyclable curbside collection, removal and disposal service for residential properties for 2018 to 2020.

b) The Special Service Area to be Levied

The Special Service Area to be levied under this proposal will be all residential properties within the limits of the Town of Teulon described in Schedule “B” attached hereto. All vacant lots are excluded.
