PART II – ADMINISTRATION

TITLE

1. This By-law may be cited as “The Town of Teulon By-law”.

THE AREA

2. The provisions of this By-law shall apply to all lands within the limits of the Town of Teulon.

INTENT AND PURPOSES

3. The regulations and provisions established by this By-law are deemed necessary in order to:
 - (1) Implement the objectives and policies of the South Interlake Planning District Development Plan as it applies to the Town of Teulon;
 - (2) To guide and define the powers and duties of the Council, the Board, and the Development Officer; and
 - (3) To regulate the following:
 - (a) All buildings and structures erected hereafter;
 - (b) All uses of buildings, structures and land established hereafter;
 - (c) All structural alterations or relocations of existing buildings and structures occurring hereafter;
 - (d) All enlargements or additions to existing buildings, structures or uses; and
 - (e) The change of use of land, buildings or structures.

RESPONSIBLE AUTHORITY

4.
 - (1) The authority responsible for the enactment of this By-law shall be the Council, in accordance with the provisions of the Act; and
 - (2) Subject to the provisions of the Act, the regulations, restrictions and boundaries set forth in this By-law may from time to time be amended, supplemented, changed or repealed.

RESPONSIBILITY OF COUNCIL

5. Subject to the provisions of the Act, the Council is responsible for:
- (1) Enactment of the By-law;
 - (2) Considering the adoption or rejection of proposed amendments or the repeal of this By-law;
 - (3) Approving or rejecting conditional use applications, and may revoke existing conditional uses and variation orders for any violation of any conditions imposed by it.

RESPONSIBILITIES OF THE BOARD

6. Subject to the provisions of the Act, the Board is responsible for:
- (1) Administering and enforcing the provisions of this By-law;
 - (2) Administering and enforcing relevant provisions of the Act, where applicable;
 - (3) Establishing a schedule of fees and charges for development and building permits. Until all applicable fees and charges have been paid in full, no action need be taken on any application; and
 - (4) Processing applications to be submitted to Council for amendments, variations orders and conditional uses and the collection of fees as provided for herein.

PLANNING ADVISORY COMMITTEE

7. Planning advisory committees may be established in accordance with the provisions of the Act.

AMENDMENTS

PROCEDURES:

8. (1) Subject to the provisions of the Act, an amendment may be initiated by a resolution of intention by the Council, or by application of one or more owners of the property of their agents within the area proposed to be changed. An application to amend the zoning by-law and all required information and fees shall be filed with the Board.

DECISION BY COUNCIL:

8. (2) Council shall give notice and hold a public meeting according to the provisions of the Act, at which time it shall review all of the facts presented, and any representation, study the facts presented, make its findings and determination in writing and shall transmit a copy thereof to the applicant. If Council approves the application, it shall proceed with the adoption of the amendment in accordance with the provision of the Act.

OBJECTION TO DISTRICT BOARD:

8. (3) Anyone objecting to any amendment which subsequently has been given second reading by Council may file a further objection with the District Board, and the District Board shall hold a hearing and a decision according to the provisions of the Act.

CONDITIONAL USES

CONDITIONAL USES:

9. (1) The development and execution of this By-law are based upon the division of the area into zones, within which zones the use of land and buildings and structures in relation to the land are substantially compatible. It is recognized, however, that there are certain uses deemed conditional uses which, because of their unique characteristics, cannot properly be classified in any particular zone without consideration, in each case, of the impact of those uses upon neighbouring land and of the public need for the particular use at the particular location. Such uses fall into two categories:
 - (a) Uses publicly operated or traditionally associated with the public interest; and
 - (b) Uses entirely private in character but of such an unusual nature that their operation may give rise to unique problems with respect to their impact upon neighbouring property or public facilities.

APPLICATION:

9. (2) An application for a conditional use shall be processed and approved or rejected by Council in accordance with the provisions of the Act.

FILING AND APPLICATION:

9. (3) The application shall be filed with the Development Officer and shall be accompanied by a site plan and other data as required and such fees as determined by the Board.

EXPIRY OF APPROVAL:

9. (4) The approval of Council in accordance with the provisions of the Act shall expire and cease to have any effect if it is not acted upon within twelve (12) months of the date of the decision, unless it is renewed prior to the expiry date at the discretion of Council, for an additional period of twelve (12) months.

EXISTING CONDITIONAL USE:

9. (5) Where an existing use listed as a permitted or conditional use under the Town of Teulon By-law No. 15/90 and amendments thereto, and is listed as a conditional use under this by-law, it shall be considered as a legally existing conditional use.

CHANGES TO AN EXISTING CONDITIONAL USE:

9. (6) Any change in a conditional use shall be subject to the provisions of this Section and the appropriate provisions of the Act.

VARIATIONS

THE RIGHT TO APPLY:

10. (1) Any person may apply for a variation order, in accordance with the provisions of the Act.

THE APPLICATION:

10. (2) An application for a variation order and all required information and fees shall be made to the South Interlake Planning District Board and filed with the Development Officer.
- (3) An application for a variation order shall be processed and approved or rejected in accordance with the provisions of the Act.

DEVELOPMENT AGREEMENT

AGREEMENT WITH THE TOWN OF TEULON:

11. (1) Where an application is made for the amendment of this By-law, the Council may require the owner or the person entitled to be registered as owner of the land, building or structure to which the amendment shall apply, as a condition to its enactment, to enter into a development agreement with the Town in respect of that land as well as contiguous land owned or leased by the applicant.

AGREEMENT TO COMPLY WITH THE ACT:

11. (2) The provisions of said agreement shall be in accordance with the Act.

THE DEVELOPMENT OFFICER

DUTIES:

12. (1) The Board shall appoint a development officer, who on behalf of the Town of Teulon, shall carry out the administration and enforcement of this By-law:

POWERS:

12. (2) The Development Officer may:
- (a) Issue a development permit where the development of land, buildings or structures conforms to the adopted Development Plan, the provisions of the Act and the requirements of this By-law and amendment thereto, subject to the provisions of subsection (3);
 - (b) Enter any buildings or premises at all reasonable hours in the performance of his duties with respect to this By-law;
 - (c) Issue development permits for the temporary use of buildings, structures or land pursuant to the provisions of this By-law; and
 - (d) Issue zoning memoranda or such other documents necessary for the administration and enforcement of this By-law.
 - (e) Grant or refuse, in his discretion, a minor variation not to exceed ten (10) percent of the requirements of this By-law governing front, side, rear or any other yard, subject to the provisions of the Act.

DEFER APPROVAL OF PERMITS:

12. (3) The Development Officer shall defer approving an application for a development permit:
- (a) as provided for in the Act;
 - (b) which would result in a violation of this By-law, the Development Plan, the Act or any By-law of the Town of Teulon; and
 - (c) to any person who has failed to pay any fees due and owing to the Town of Teulon or the Board under this By-law.

DEVELOPMENT PERMIT

PERMIT REQUIRED:

13. (1) The owner or his agent shall obtain all necessary permits as required by the Board, Council and other government agencies.

WHEN REQUIRED:

13. (2) An application for a development permit is required for the following:
- (a) The erection or construction or placement of any building, structure or mobile home, except fences, ornamental light standards and utility sheds not exceeding 120 square feet in the area and not greater than 10 feet in height;
 - (b) The addition, extension, structural alteration or conversion of any building or structure;
 - (c) The relocation or removal or demolition of any building or structure;
 - (d) The use of vacant land, buildings or structures; and
 - (e) The change of use of land, buildings or structures except when a change is from one farm activity to another.

REQUIREMENTS:

13. (3) In addition to the requirements of any By-law of the Town of Teulon or any other provincial regulations, all applications for a development permit shall:
- (a) Be accompanied by a plan, drawn to scale, showing the actual dimensions and shape of the site to be built upon; the exact size and location on the site of buildings already existing, if any, and the location and dimensions of the proposed building, enlargement or structural alterations; and
 - (b) Include such other information as may be required by the Council or Board, including existing or proposed building or structural alterations; existing or proposed use of building and land; the number and location of automobile parking spaces and loading spaces; the number of families, dwelling units or rental units the building is designed to accommodate; conditions existing on the site; current copies of relevant titles, easements, caveats; a surveyor's certificate prepared by a Manitoba Land Surveyor

and such other matters as may be necessary to determine conformance with and provide for the enforcement of this By-law.

RESPONSIBILITIES OF OWNER:

13. (4) No person shall erect, locate, relocate, repair, use, or occupy any building, land or structure contrary to any development permit or the material furnished in support of the application.

BUILDING PERMITS

PERMITS ISSUED PRIOR TO BY-LAW:

14. Unless otherwise provided for herein, building permits issued prior to the effective date of this By-law shall be considered valid for the purpose of this By-law provided all the conditions under which the permit was issued are complied with.

NON-COMFORMITY

GENERAL PROVISIONS:

15. (1) A non-conforming use and a non-conforming building, structure, land or sign shall be regulated in accordance with and subject to the provisions of the Act, unless otherwise provided for herein.

STRUCTURAL ALTERATIONS:

15. (2) Pursuant to Section 50(4) of the Act, a structural alterations may be made to a building or structure while a non-conforming use thereof is continued or while the building or structure while a non-conforming use thereof is contained or while the building or structure does not conform to the provisions of this By-law or amendments thereof, provided that the said alteration conforms to the requirements of this By-law, or where such requirements may be varied by a variation order.

“Non-conforming uses” means any lawful use of a building, structure or land, or portion thereto, which does not conform to one or more of the applicable use regulations of the zone in which it is located, either on the effective date of this By-law or amendments.

REPAIR OR REBUILDING:

15. (3) Pursuant to Section 50(5) of the Act, where Council determines that a

non-conforming building or structure is damaged or destroyed more than (50%) percent of its replacement value above its foundation, the said building or structure shall not be repaired or rebuilt except in conformance with this By-law or its amendments.

A “non-conforming building or structure” means any lawful building or structure which does not comply with one or more of the applicable bulk regulations in the zone on the effective date of this By-law or amendments thereto.

NON-CONFORMING SITE:

15. (4) No building or structure may be erected on a non-conforming site unless:
- (a) all the required yards, as set forth in this zoning By-law for the zone in which the land is located, are met; or
 - (b) a Variation Order for such yard requirements, which are not being met, is obtained.

A “non-conforming site” means any lawful site which does not comply with the site area, site width or site depth on the effective date of this By-law, or amendments thereto, and was on record in the Land Titles Office and in separate ownership prior to the effective date of this By-law, or amendments thereto, and did not form part of a larger contiguous holding in the same ownership.

NON-CONFORMING SIGNS:

15. (5) A non-conforming sign shall be subject to all the provisions of this PART relating to non-conformities, except as provided hereafter:
- (a) A change in the subject matter represented on a sign shall not be considered a change of use; and
 - (b) A non-conforming sign may be structurally altered provided that such structural alteration does not result in:
 - (i) the creation of a new non-conformity or an increase in the degree of “non-conformity”; or
 - (ii) an increase in the sign surface area; or
 - (iii) an increase in the degree of illumination.

CERTIFICATES AND FEES:

15. (6) Any fees made to the Development Officer for the issuance of a

certificate in accordance with Section 48(3) of the Act shall be determined by Council.

INTERPRETATION AND APPLICATION

MINIMUM REQUIREMENTS TO APPLY:

16. (1) In their interpretation and application, the provisions of this By-law shall be held to be the minimum requirements to satisfy the intent and purpose as set forth herein.

RELATION TO OTHER BY-LAWS:

16. (2) Whenever provisions of any By-law of the Town of Teulon or any other requirements of the Provincial or Federal Government impose overlapping regulations or requirements over the use of land or buildings or bulk requirements or contain any restrictions covering any of the same subject matter contained herein, the most restrictive or highest standard shall govern.

PREVIOUS VIOLATIONS:

16. (3) Unless otherwise provided for herein, an existing building, structure or use which was illegal under the provisions of any planning scheme or zoning by-law in force on the effective date of this By-law and amendments thereto shall not become or be made legal solely by reason of the adoption of this By-law; and to the extent that, and in any manner that, said illegal buildings, structure or use is in conflict with the requirements of this By-law, said building, structure or use remains illegal hereunder.

SITE AND YARD REDUCTIONS:

16. (4) A site area, site width or site depth or required yard reduced below the minimum requirements of this By-law by virtue of a public works, street or public utility shall be deemed to conform to the requirements of this By-law.

VARIATION ORDER OR SPECIAL EXCEPTION PRIOR TO BY-LAW:

16. (5) A building or structure or use established by a variation order, or special exception prior to the coming into force of this By-law shall be subject to the provisions of the variation order or special exception.

“A”, “O”, “R”, “C” OR “M” ZONES:

16. (6) Whenever the terms “A” Zone, “R” Zone, “C” Zone, “M” Zone or “O” Zone are used, they shall be deemed to refer to all Zones containing the same letter in their names.

ENFORCEMENT:

17. The enforcement of this By-law, or any resolution or Order enacted by the Council or the Board under the Act or any regulation made thereunder shall be in accordance with the Act.

DUTIES OF THE OWNER

RESPONSIBILITIES:

18. (1) Neither the granting of a development permit nor the approval of the drawing and specifications nor the inspections made by the Development Officer shall in any way relieve the owner of the responsibility of complying with the requirements of this By-law or of any relevant By-laws of the Town of Teulon.

PERMITS REQUIRED:

18. (2) Every owner shall:
- (a) Permit the Development Officer or any other duly appointed officer of the municipality to enter any building or premises at any reasonable time for the purpose of administering or enforcing this By-law and shall not molest, obstruct or interfere with the said Officer in the discharge of his duties under this By-law;
 - (b) After the development application has been approved and the permit issued, obtain the written approval of the Development Officer before doing any work at variance with the approved documents filed;
 - (c) Be responsible for obtaining, where applicable, from the appropriate authorities, permits or licenses relating to the building, grades, sewers or water supply systems, plumbing, signs, blasting, street, occupancy, electrical, highways, and all other permits required in connection with the proposed work; and
 - (d) Permits are required from the Highway Traffic Board for any new, modified or relocated access (including the change in use of an existing access) to PTH 7 and 17 and for any structures / construction within control areas of these highways. Permits are also required from Manitoba Transportation and Government Services for any new modified or relocated access to PR 415. The Town of Teulon is responsible for structure setbacks adjacent to PR 415 within the town boundary.

FEE SCHEDULE:

FEES:

19. (1) The District Board shall by By-law establish a fee schedule for zoning memorandum, development permits and other appropriate documents.
- (2) The District Board shall by By-law establish a fee schedule for zoning amendments, conditional use orders and variation orders.

 - (f) “RMH” Residential Mobile Home Zone
 - (g) “CG” Commercial General Zone
 - (h) “CH” Commercial Highway Zone
 - (i) “MG” Industrial General Zone

ZONING MAPS

2. The location and the boundaries of the Zones listed in Section 1 above are shown upon the Zoning Map attached hereto, marked as Appendix “A” to this By-law. Said Zoning Map forms part of this By-law. All notations, references and other information shown thereon, together with any amendments made by amending by-laws from time to time and shown thereon, together with any amendments to boundaries in the case of any street, lane or public utility right-of-way closing, as provided in subsection (4) of Section 2 of this Part, shall be as much a part of this By-law as if the matters and information set forth by the said Zoning Map were fully described herein.

DIMENSIONS AND SCALE:

2. (1) The zoning map is drawn to 1:5000 scale. The dimensions, where shown on the zoning map, are given in feet.

REGISTERED PLANS:

2. (2) All plan references on the Zoning Map pertain to registered plans filed in the Winnipeg Land Titles Office.

ABBREVIATIONS:

2. (3) The abbreviations noted on the Zoning Map mean the following:

PART IV – GENERAL REGULATIONS

REGULATIONS

1. The following regulations shall apply to all zones except wherein otherwise noted.

CONFORMANCE AND PERMITS REQUIRED

2. No building or structure shall be erected, reconstructed, structurally altered, enlarged or moved, nor shall any building, structure or land be used for any use other than is permitted in the zone in which such building, structure or land is located and then only after applying for and securing all development permits, building permits, other permits and licenses required by all laws and by-laws in effect within the municipality.

BUILDING UNDER CONSTRUCTION

3. Any building or structure or portion thereof for which a necessary permit has been issued but which has not been completed or is not in full operation at the date when this zoning by-law becomes effective, and which is not designed for a use permitted in the zone in which it is located or is proposed to be located, may be completed and operated for the non-conforming use for which it was designed if it comes into full operation within one year of the said date and shall, together with the site on which the same is situated and the use to which the same and the said site are put, be subject to all the provisions of Section 50 to 52 of The Planning Act.

TEMPORARY BUILDINGS AND USES

4. A construction camp or other such temporary work camp and/or other temporary buildings and structures used for the storage of construction materials or equipment, both incidental and necessary to development on the same zoning site may be permitted on a temporary basis subject to the issuance of a development permit under the following conditions:
 - (a) A development permit for a temporary building, structure or use shall be subject to such terms and conditions as required by Council or the Development Officer; and
 - (b) Each development permit issued for a temporary building, structure or use shall be valid for a period of not more than twelve (12) months and may not be renewed for more than two (2) successive periods at the same location.

ACCESSORY BUILDINGS AND USES

ACCESSORY BUILDINGS AND USES:

5. (1) Where this By-law provides that any premises may be used or a building or structure may be erected or used for a purpose, the purpose includes any building or use accessory thereof.

ACCESSORY BUILDINGS REGULATIONS:

5. (2) Accessory buildings, except as otherwise permitted in the By-law, shall be subject to the following regulations:
- (a) Where the accessory building is structurally attached to a main building, it shall be subject to, and must conform to, all regulations of this By-law applicable to the main building;
 - (b) Accessory buildings shall not be erected in any required yard, except a rear, a side yard;
 - (c) No detached accessory building shall be located closer than six (6) feet to any main building measured from any projection nor shall it be located closer than two (2) feet, measured from eaves projection, to any site line.
 - (d) No accessory building shall be erected prior to the erection of the main building except where it is necessary for the storage of the tools and materials for use during construction of the main building; or prior to the establishment of the principal use of the site where no principal building or structure is required.

PROJECTIONS INTO YARDS

6. Except as herein provided, every part of a required yard shall be open and unobstructed from the ground to the sky, save for trees, shrubs, gardens, fences and driveway:
- (a) Eaves, chimneys, cornices and ornamental or decorative features may extend or project into a required side yard not more than five (5) inches for each one (1) foot of width of such side yards provided the width of such side yard is not reduced to less than three (3) feet; and may extend or project into a required front yard or rear yard not more than three (3) feet;
 - (b) An open, unenclosed and uncovered porch or paved terrace may project into a required front or rear yard for a distance not exceeding six (6) feet, but this shall not be interpreted to include or permit fixed canopies;

- (c) An open, unenclosed stairway or balcony, not covered by a roof or canopy, may project into a required rear yard not more than four (4) feet, and such balconies may extend into the required front yard more than three (3) feet;
- (d) Fences, hedges and landscape features are permitted in all required yards subject to the following height restrictions:
 - (j) in all industrial zones the height shall not exceed 8 feet in any front yard and 12 feet in any side yard or rear yards, unless a greater height required by a conditional use permit or a development agreement; and
 - (ii) in all other zones the height shall not exceed 3 1/2 feet in any front yard and 6 feet in any side or rear yards, unless a greater height required by a conditional use permit or a development permit;
- (e) An open, unenclosed and uncovered porch, a paved terrace or a deck may project into a required side yard provided that the required side yard is not reduced to less than three (3) feet; and
- (f) Historical plaques or markers authorized by council are permitted in any required yard.

AREA AND YARD REQUIREMENTS

- 7. Except as herein provided, the following regulations shall apply in all zones to ensure adequate site and yard requirements:
 - (a) When site and yard requirements cannot reasonably be complied with, as in the case of a planned unit development or where their application cannot be determined on sites of a peculiar shape, topography or due to design or determined by Council through a Variation Order pursuant to the provisions of The Planning Act;
 - (b) No building shall be added to, or reconstructed, and no site shall be reduced in area, width and depth if such addition, reconstruction, reduction or alterations will cause the violation of any provisions of this By-law;
 - (c) Yards and site area, width and depth provided for a building or structure existing on the effective date of this By-law or amendments thereto, shall not be reduced, if already less than the minimum requirements of this By-law; and
 - (d) No yard or other open space around an existing building which is hereafter provided around any building for the purpose of complying with the provisions of this By-law, shall be considered as providing a yard or open space for any other building; nor any yard or other required open space on any adjoining site be

considered as providing a yard or open space on a site whereon a building is to be erected.

SIDE YARD EXCEPTIONS

8. For the purpose of side yard regulations, the following dwellings with common party walls shall be considered as one (1) building occupying one (1) site: duplex, triplex and four-plex dwellings, row or townhouses, and multiple-family dwellings.

SITE REDUCED BY PUBLIC UTILITY, SERVICE OR STREET

9. A site area or site width or required yard reduced below the minimum requirements of this By-law by virtue of a public works, street or public utility shall be deemed to conform to the requirements of this By-law.

CONNECTING TO MUNICIPAL SERVICES

10. All principal buildings constructed on a site served by public or private sewer, water or hydro distribution shall be connected to such services.

PUBLIC MONUMENTS AND STATUARY

11. Nothing in this By-law shall be so interpreted as to interfere with the maintenance or erection of monuments, statuary, and similar structures.

HEIGHT EXCEPTIONS

12. The provisions of this By-law shall not apply to limit the height of any ornamental dome, chimney, tower, electrical or telephone, transmission line, television or radio mast, steeple, water storage tank, electrical apparatus or the mechanical operations of a building.

STREET, LANE OR ROAD

FRONTAGE:

13. (1) All developments shall be on sites having frontage on an all-weather street.

FUTURE ROAD ALLOWANCE DEEMED EXISTING:

13. (2) No building or structure shall be erected upon any land required by The Town of Teulon or any other Federal or Provincial government agency and which has been designated for a future road allowance. Any development adjacent to said future road allowance shall comply with the requirements of the By-laws as if the said future road allowance was already in existence.

SIGN REGULATIONS

INTENT:

14. (1) The regulations of this section are intended and designed to establish a minimum control of signs. Such control is deemed essential to promote the health, safety, and general welfare by reducing hazards to pedestrian and vehicular traffic, by preventing unsightly and detrimental development having a blighting influence upon residential, business and industrial uses, by preventing signs from reaching such excessive size that they obscure one another to the detriment of all parties and by securing certain fundamentals of design for the community.

REGULATIONS:

14. (2) The following shall apply in all Zones except wherein otherwise stated:
- (a) No sign or sign structure shall be erected at any location where it may interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal or device. No rotating beam, beacon or flashing illumination resembling an emergency light shall be used in connection with any sign display. Where signs are placed within the control areas adjacent to Provincial Trunk Highways 7 and 17, a Highway Traffic Board permit is required;
 - (b) No sign or sign structure shall be located in such a manner as to materially impede the view of any street or highway intersection; or in such a manner as to materially impede the view of the intersection of a street or highway with a railroad grade crossing;
 - (c) All signs and sign structures shall be kept in repair and in proper state of preservation. Signs which have become obsolete because of discontinuance of the business service or activity shall be removed or relocated within thirty (30) days following such condition;
 - (d) Advertising signs may be permitted in any Zones, except in any residential zone, as provided herein in this By-law. Where permitted, there shall be not more than one (1) illuminated or non-illuminated sign having an area not exceeding one (1) square foot for each ten (10) feet of frontage with a maximum of one hundred (100) square feet. Where a sign has two or more faces, the area of all faces shall be included in determining the area of the sign, except where two such faces are placed back to back and are at no point more than two (2) feet from one another;
 - (e) No flashing signs shall be permitted in any zone without the approval of the Council, except in Commercial Zones. In any event, no flashing sign shall be permitted within the control area of a provincial highway or within three hundred (300) feet of any residential zone; and

- (f) It is unlawful to erect or maintain any sign on, over or above any land or right-of-way belonging to the town except with prior agreement of the council.

EXEMPTION FROM SIGN REGULATIONS

- 15. The following signs shall not be subject to the provisions of this By-law, except wherein otherwise noted:
 - (a) Signs posted by duly constituted public authorities in the performance of their public duties;
 - (b) Flags or emblems of a political, civic, educational or religious organization;
 - (c) Temporary signs may be authorized by Council for not more than two months at a time by written permit which shall show the size, shape, content, height, type of construction and location of such signs;
 - (d) “No Trespassing” signs not exceeding three (3) square feet;
 - (e) Construction signs when placed on construction sites and not exceeding thirty-two (32) square feet;
 - (f) Signs required for direction and convenience of the public, including signs which identify rest rooms or parking entrance or exist, not exceeding five (5) square feet in area;
 - (g) Real estate signs not exceeding five (5) square feet in sign area in residential zones and sixteen (16) square feet in other zones, which advertise the sale, rental or lease of the premises; and
 - (h) Awnings with signage originally incorporated in the design of the awning material.
 - (i) Historical plaques or markers authorized by council

ONLY ONE MAIN USE ON A SITE

- 16. There shall be only one main use on a site except wherein otherwise stated.

MULTIPLE USES

17. Where any land or building is used for more than one purpose, all provisions of this By-law relating to each use shall be satisfied. Where there is conflict such as in the case of site area and frontage, the higher or more stringent standard shall prevail, except otherwise approved by the Council.

BUILDINGS TO BE MOVED

18. No building or structure shall be moved or relocated in whole or in part to any other location from within or from outside the Town of Teulon unless every portion of the building or structure is made to conform to all the regulations of this By-law applying to the zone in which it is located.

NOXIOUS OR OFFENSIVE USES

19. Except wherein otherwise provided in this By-law no use shall be permitted in any zone which may be noxious or offensive by reason of the emission or production of odour, dust, refuse matter, wastes, vapor, gas, smoke, vibration or noise. This shall not be interpreted as to prohibit those Conditional Uses specifically permitted in a zone.

CHANGE OF USE, ALTERATION AND ADDITIONS TO BUILDING

20. The purpose for which any land or building is used shall not be changed, no new building shall be erected and no existing building shall be added to or altered, if the effect of such change, erection, addition or alteration is to create a situation contrary to the requirements of this By-law, unless permitted by a variation order in accordance with the provisions of the Act.

PUBLIC UTILITIES AND SERVICES

21. Nothing in this By-law shall be so interpreted as to interfere with the construction, maintenance and operation of the facilities of any public utility, as defined by this By-law, or public service such as police and fire protection, postal or telephone service provided that the requirements of such public utility or public service is of a standard compatible with the adjacent area. Notwithstanding the generality of the foregoing, transformer boxes may be permitted in any zone.

BUILDING GRADE

22. It shall be the continuing obligation of the property owner to establish and maintain building grades for adequate site drainage and to ensure that the level of the surrounding fill at the building line shall not be less than the flood protection level. Notwithstanding this, where lot grades are available no building or structure shall be erected without first obtaining from the development officer written instructions as to the grade for a building or structure to be erected.

DEVELOPMENT ON ZONING SITE ONLY

23. No development permit shall be issued for the purpose of carrying out the construction or erection or the placing of any building unless:
- (a) The development is to be designed, intended or located on a zoning site as defined in this By-law; or
 - (b) A variation order has been obtained in accordance with the provisions of The Planning Act.

LAND UNSUITABLE FOR DEVELOPMENT

24. Notwithstanding the provisions contained in this By-law, Council may prohibit the development of land for a use permitted in this By-law if Council is of the opinion that the land is subject to erosion, flooding, or subsidence, or is low lying, marshy or unstable, or otherwise unsuitable or hazardous for the proposed purpose by virtue of its soil, topography or unique conditions.

PARKING AREAS

25. (1) The following regulations shall apply to all parking areas as required by this By-law:
- (a) The area shall be drained and maintained with a stable surface which is treated so as to prevent the rising of dust or loose particles; it may be constructed of crushed stone, slag, gravel, concrete, asphalt or other approved material;
 - (b) Where parking areas are provided in any commercial, industrial or open space and recreational zone and lighting facilities are provided, such lights shall be so shielded and directed as to reflect away from any adjoining residential area. Where parking areas are provided in any residential zone and lighting facilities are provided, such lights shall be so adjoining residential property;
 - (c) Where a parking area is situated along a site line which coincides with the boundary of residential zone and is not separated therefrom by any street, lane or watercourse, a buffer of a design acceptable to the Council shall be provided;
 - (d) No building shall be erected except one non-habitable accessory shelter for attendants; and
 - (e) No sign shall be erected except, (i) signs for the direction of traffic within the parking area, and (ii) directional signs of not more than twenty (20) square feet in area at each point of entrance and exit. Such signs may bear the name of the business if the parking area is connected thereto.

(2) The layout and design of the accessory off-street parking area shall be as follows:

- (a) The layout and design of the accessory off-street parking area shall be in accordance with TABLE IV-I “MINIMUM PARKING SPACE REQUIREMENTS” of this PART;
- (b) The length of each parking space as specified in TABLE IV-I shall be exclusive of access driveways, aisles, ramps and columns, and office or work areas;
- (c) For a parking area where the angle of parking varies from that set forth in TABLE IV-I of this PART, the following shall apply:

MINIMUM SIZE OF PARKING AREA	MINIMUM AISLE WIDTH	ANGLE OF PARKING
9 feet x 20 feet	20 feet 18 feet 12 feet	75 to 90 degrees 50 to 74 degrees less than 50 degrees

- (d) Where access to a parking space is directly from a lane, the width of the lane adjacent to said parking space may be computed as part of the aisle width required for said parking space;
- (e) The angle of parking shall be measured between the centre-line of the parking space and the centreline of the aisle;
- (f) The off-street parking area shall be provided with an access drive with a minimum width of ten (10) feet, to a street or lane; and
- (g) Except as provided for in paragraph (d), an aisle or driveway shall not mean a street or lane.

TABLE IV-I
MINIMUM PARKING SPACE REQUIREMENTS

SECONDARY SUITES

26. *Secondary suites may be permitted as a conditional accessory use to single dwellings and are subject to the following:*

- (a) Secondary suites must comply with the requirements of the National Building Code and Manitoba amendments;*
- (b) Not more than one (1) secondary suite may be permitted on a single-family residential zoning site, either within the principal dwelling, or as an addition to a principal dwelling. Detached secondary suites (e.g., garden suites, etc.) or secondary suites above an already existing or new accessory building, such as a garage, are not permitted;*
- (c) Secondary suites are not permitted within or as an addition to a mobile home, two-family dwellings, or multiple-family dwellings;*
- (d) For dwellings that contain a secondary suite, only one (1) street-facing entrance is permitted, unless the dwelling contained an additional street-facing entrance prior to the creation of the secondary suite;*
- (e) Parking for secondary suites must adhere to the "Part VII - Residential Zones" of this By-law, and must be in addition to the parking requirements of the principal dwelling unit;*
- (f) Secondary suites located within or in addition to the principal dwelling shall be no larger than forty (40) percent of the total gross floor area of the dwelling unit prior to construction of the secondary suite, or 65 m² (700 ft²), whichever is less;*
- (g) No secondary suite shall have a floor area less than 32.5 m² (350 ft²).*

PART VII – RESIDENTIAL ZONES

INTENT AND PURPOSE

1. The Residential Zones established in this By-law are intended to provide sufficient land for various types of residential development in The Area in keeping with the provisions of the Development Plan.

ZONES

2. In order to carry out the intent and purpose of section 1 above there are hereby established the following zones:

- (1) “RA” Residential Suburban Zone

This zone provides for the development of low density, single-family dwellings on sites utilizing on-site sewer and water systems.

- (2) “RG” Residential General Zone

This zone provides for the development of single-family dwellings but may also include limited two-family and multiple-family dwellings on sites serviced by municipal sewage and/or water systems.

- (3) “RS” Residential Single-Family Zone

This zone provides for the development of single-family detached dwellings on relatively larger sites than the “RG” Residential General Zone which are serviced by municipal sewage and / or water systems.

- (4) “RM” Residential Multiple-Family Zone

This zone provides for the development of multiple-family housing at various densities and may include single and two-family dwelling development, which are serviced by municipal sewage and /or water systems.

- (5) “RMH” Residential Mobile Home Zone

This zone provides for areas for single-family mobile homes on individual sites which may be individually owned or within a mobile home park where the spaces are leased.

GENERAL PROVISIONS

3. The provisions applying to all Residential Zones are contained within this PART. Also applying to these zones are the provisions of PART I – “DEFINITIONS”, PART II – “ADMINISTRATION”, PART III – “ZONES”, PART IV – “GENERAL REGULATIONS” and APPENDIX “A”.

Explanations and Exceptions to Residential Bulk Requirements in Table VII – II are as follows:

- (a) For single-family and two-family dwellings the minimum site depth shall be 100 feet.
- (b) The side yard on the street side of a corner site shall be a minimum of ten (10) feet; and for buildings with a common party wall, the side yard may be reduced to zero (0) when the side site line is completely within the common party wall.
- (c) In the case of an accessory building located to the rear of the main building shall be two (2) feet unless the site is a corner site in which case the minimum side yard on the street shall be ten (10) feet.
- (d) Minimum site area for multiple-family dwellings shall be computed as follows: 10,000 sq. ft. for the first 4 dwelling units plus 1,500 sq. ft. for each additional dwelling unit thereafter.
- (e) The required side yard shall be 15 ft. or one-half of the height of the building, whichever is greater.
- (f) A minimum distance of 10 ft., clear of all projections, shall be provided between mobile homes. Any porch, carport or addition to the mobile home shall be regarded as part of the mobile home for the purpose of separation.
- (g) An accessory building or structure shall not be located closer than 6 ft. from the main building or structure from all projections except where it is attached to the main building or structure.
- (h) Requirements of PART 10 of The Manitoba Building Code;
- (i) Requirement is not applicable.
- (j) To be determined by Council.
- (k) Per dwelling unit.
- (l) Buildings and structures adjacent to Provincial Trunk Highways shall have setbacks in accordance with the requirements of The Highway Protection Act and The Highways and Transportation Department Act as amended from time to time.
- (m) Permits are required from the Highway Traffic Board or Manitoba Transportation and Government Services for any new, modified or relocated access (including change in use of an existing access to Provincial Trunk Highway) to a Provincial Trunk Highway or Provincial Road.

NUMBER OF BUILDINGS PERMITTED PER SITE:

- 5. (2) Not more than one (1) of the following buildings shall be permitted on one (1) zoning site:
 - single-family dwelling
 - two-family dwelling
 - mobile home (except in a mobile home park)
 - multiple-family dwelling (except in a planned unit development)

SIGNS

6. The following signs shall be permitted in the Residential Zones:
- (a) In the case of a single-family or two-family dwelling there shall be not more than one (1) lighted or unlighted identification sign for each dwelling unit and each sign shall not exceed two (2) square feet in area;
 - (b) There shall be not more than one (1) lighted or unlighted identification sign not exceeding twelve (12) square feet in area for each multiple-family building, or Senior Citizen's home;
 - (c) In the case of any other permitted or conditional use, except home occupations, there shall not be more than one (1) lighted or unlighted identification sign or bulletin board, not exceeding (18) square feet in area.

PARKING

7. Off-street parking spaces shall be provided on the same site as the main building or use in accordance with TABLE VII-III.

TABLE VII – III

The following explanations and exceptions form part of TABLE VIII-II.

- (a) The minimum front yard requirements for a zoning site, where there are existing buildings on the adjacent sites on both sides of a site, or on one side for a corner site, shall not vary more than ten (10) percent from the average existing front yards for the said adjacent buildings, provided that said distance is less than the minimum bulk requirements. The minimum front yard requirement noted above may be used to determine the front yard requirement for a building that was destroyed and is being rebuilt, or where an existing building is to have an addition made to it, or where a new building is to be constructed in an infilling situation.
- (b) Requirement not applicable.
- (c) The vertical distance measured from grade to the highest point of the roof surface if a flat roof, to the deck of a mansard roof, and to the mean height level between eaves and ridge for gable, hip or gambrel roof.
- (d) The required rear yard may be reduced to ten (10) feet if all the required parking and loading spaces are provided elsewhere on the site; however, where a dwelling unit is contained within a commercial building the required rear yard shall be twenty-five (25) feet.
- (e) Or two and one half (2-1/2) storeys, whichever is the lesser.
- (f) Where a site is adjacent to a residential zone, a side yard shall not be less than ten (10) feet.
- (g) Or three (3) storeys, whichever is the lesser.
- (h) Where there is a common party wall, the site line shall be completely contained within the common party wall.
- (i) The minimum front and side yard requirements for accessory buildings and structures shall be the same as the minimum front and side yard requirements for the principal buildings and structures of the site, unless otherwise provided for herein. In case of fuel pumps for a service station, the minimum front and side yard requirement shall be twenty (20) feet.
- (j) An accessory structure or building may be attached to the main building or structure by means of a breezeway, extended room or similar structure. In such cases, the accessory structure or building shall be considered as being a part of the main building or structure and the yard requirements for main buildings or structures shall apply.
- (k) The maximum height of accessory buildings and structures shall not exceed the height of the principal building or structure.
- (l) No open storage or outdoor display shall be permitted in an abutting yard beside

the Residential Zone boundary.

- (m) Minimum site area for multiple-family dwellings shall be computed as follows: 10,000 sq. ft. for the first 4 dwelling units plus 1,500 sq. ft. for each additional dwelling unit thereafter.
- (n) Buildings and structures adjacent to Provincial Trunk Highways shall have setbacks in accordance with the requirements of The Highway Protection Act and The Highways and Transportation Department Act as amended from time to time.
- (o) Permits are required from the Highway Traffic Board or Manitoba Transportation and Government Services for any new, modified or relocated access (including change in use of an existing access to Provincial Trunk Highway) to a Provincial Trunk Highway or Provincial Road.

ACCESS REQUIREMENTS

- 5. (2) Access to the property for vehicles shall be only by way of entrances and exists provided in accordance with the following:
 - (a) minimum width of an entrance or exit 15 ft.
 - (b) minimum width of a combined entrance and exit 25 ft.
 - (c) maximum width of an entrance or exit 25 ft.
 - (d) maximum width of a combined entrance and exit 35 ft.
 - (e) minimum distance between any part of an entrance and exit, and the intersection of street site lines or the intersection of a street site line and side site line on a public lane 15 ft.
 - (f) the owner of the property shall provide and maintain a barrier at least one (1) foot high on or near all street lines so as to prevent vehicles from entering or leaving the property other than by way of the entrances and exits permitted by this By-law.
 - (g) Permits are required from the Highway Traffic Board or Manitoba Transportation and Government Services for any new, modified or relocated access (including change in use of an existing access to Provincial Trunk Highway) to a Provincial Trunk Highway or Provincial Road.

SIGNS

- 6. The following signs shall be permitted and regulated in the Commercial Zones:
 - (a) One lighted or unlighted business or identification sign not exceeding a total sign surface area of two hundred (200) square feet and having a maximum height of forty (30) feet shall be permitted for any building or use permitted in the Commercial Zones;
 - (b) Bulletin boards not greater than one hundred (100) square feet in sign surface area and not located closer than ten (10) feet to any site line where a yard is required;
 - (c) Any identification or business sign permitted above may be attached to the face or roof of a building or structure or it may be a freestanding sign. However, there shall be no overhanging encroachment on to the adjoining

sidewalk or street;

(d) Advertising signs may be permitted as a conditional use, subject to the provisions of Section 9 of PART II and Section 14(2) of PART IV.

(e) Other signs as shown in Table VIII-III.

PART IX – INDUSTRIAL ZONES

INTENT AND PURPOSE

1. The Industrial Zones established in this By-law are intended to provide sufficient land for industrial and related uses in suitable locations in The Area in keeping with the provisions of the Development Plan.

ZONES

2. In order to carry out the intent and purpose of section 1 above, there is hereby established the following zone:

- (1) “MG” Industrial General Zone

This zone provides for light manufacturing, processing, distribution, transportation, and warehouse uses that create no nuisances. Contained or screened outside storage is permissible. Certain heavy industrial uses may be listed as “conditional”

GENERAL PROVISIONS

3. The provisions apply to all Industrial Zones are contained within this PART. Also applying to these zones are the provisions of PART 1 – “DEFINITIONS”, PART II – “ADMINISTRATION”, PART III – “ZONES”, PART IV – “GENERAL PROVISIONS” and APPENDIX “A”.

USE REGULATIONS

4. (1) TABLE 1X – 1, “INDUSTRIAL USE TABLE”, lists all uses that are:

- (a) “P”, Permitted;
 - (b) “C”, Conditional; and
 - (c) “-”, Use Not Permitted

in the Industrial Zones. All listed uses are subject to the provisions contained herein.

4. (2) Exceptions

No land shall be used or occupied and no building or structure shall be erected, altered, relocated, used or occupied hereinafter for any Industrial Zone in which such land, building or structure is located other than a use listed on TABLE IX – I, “INDUSTRIAL USE TABLE”, with the exceptions of uses lawfully established prior to the effective date of this By-law.

(3) Conditional Use

Any use listed as a “CONDITIONAL USE” in TABLE IX – I shall comply with the provisions as set forth in Section 9 of PART II – “ADMINISTRATION”.

(4) Accessory Uses, Buildings and Structures

In the Industrial Zones, accessory uses, buildings and structures shall include but not be limited to the following:

- (a) a garage, shed or building for storage incidental to a permitted use or conditional use;
- (b) incinerators subject to the authority having jurisdiction, and which shall be incidental to the permitted use or conditional use;
- (c) storage of goods used in or produced by manufacturing activities on the same zoning site with such activities unless such storage is excluded by the zone regulations;

- (d) the production, processing, cleaning, servicing, altering, testing, repair or storage of merchandise normally incidental to an industrial or manufacturing activity if conducted by the same ownership as the principal use;
- (e) accessory off-street parking and loading spaces as regulated in Section 7 of this PART;
- (f) signs as permitted and regulated in Section 6 of this PART; and
- (g) offices, business or professional, which are incidental and accessory to a permitted or conditional use.

BULK REQUIREMENTS

5. (1) The Industrial bulk requirements shall be as set forth in TABLE IX – II, INDUSTRIAL BULK TABLE.

TABLE IX – II
INDUSTRIAL BULK TABLE

Planned Unit Development	MG	TO BE DETERMINED BY COUNCIL								
Accessory Uses, Building and Structures	MG	(g)	(g)	(d)	5	(f) 15	5	400	10	(e)

The following explanations and exceptions form part of Table IX-II.

- (a) The minimum front yard requirements for a zoning site, where there are existing buildings on the adjacent sites on both sides of a site, or on one side for a corner site, shall not vary more than ten (10) percent from the average existing front yards for the said adjacent buildings, provided that said distance is less than the minimum bulk requirements. The minimum front yard requirement noted above may be used to determine the front yard requirement for a building that was destroyed and is being rebuilt, or where an existing building is to have an addition made to it, or where a new building is to be constructed in an infilling situation.

Buildings and structures adjacent to Provincial Trunk Highways shall have setbacks in accordance with the requirements of The Highway Protection Act and The Highways and Transportation Department Act as amended from time to time.

- (b) For group buildings located on one site or buildings within a planned unit development, the yards on the boundary of the site shall not be less than those required in the zone in which the site is located, nor shall the distance between buildings within the site be less than the sum of two of these required yards,
 - (c) The vertical distance measured from grade to the highest point of the roof surface if a flat roof; to the deck of a mansard roof; and to the mean height level between eaves and ridge for gable, hip or gambrel roof.
 - (d) Accessory buildings and structures shall be located to the side or the rear of the principal building or structure.
 - (e) The maximum height of accessory buildings or structures shall not exceed the height of the principal buildings or structure.
 - (f) Where adjacent to a residential zone, a side yard of twenty (20) feet shall be provided.
 - (g) Requirement not applicable

5. (2) Special Yard along Zone Boundaries

Notwithstanding any other requirements provided elsewhere in this By-law, where a site within an Industrial Zone abuts a Residential Zone, the following regulations shall comply:

- (a) The minimum side yard requirement for the abutting site in the Industrial Zone shall be twenty (20) feet; and
- (b) No open storage or outdoor display shall be permitted in an abutting yard in the Industrial Zone, except where a solid fence of minimum six (6) feet high is provided and maintained along the site line abutting the Residential Zone boundary.

ACCESS REQUIREMENTS

5. (3) Access to the property for vehicles shall be only by way of entrances and exits provided in accordance with the following:
- (a) minimum width of an entrance or exit 15 ft.
 - (b) minimum width of a combined entrance and exit 25 ft.
 - (c) maximum width of an entrance or exit 25 ft.
 - (d) maximum width of a combined entrance and exit 35 ft.
 - (e) minimum distance between any part of an entrance, exit or combined entrance and exit, and the intersection of street site lines or the intersection of a street site line and side site line on a public lane 15 ft.
 - (f) the owner of the property shall provide and maintain a barrier at least one (1) foot high on or near all street site lines so as to prevent vehicles from entering or leaving the property other than by way of the entrances and exits permitted by this By-law.
 - (g) permits are required from the Highway Traffic Board or Manitoba Transportation and Government Services for any new, modified or relocated access (including change in use of an existing access to Provincial Trunk Highway) to a Provincial Trunk Highway or Provincial Road.

SIGNS

6. Signs shall be permitted and regulated in the Industrial Zone as follows:
- (a) One lighted or unlighted business or identification sign not exceeding a total sign surface area of two hundred (200) square feet, for any building for use permitted in the Industrial Zone;
 - (b) Any identification or business sign permitted above may be attached to the face or roof of a building or structure or it may be a free-standing sign. However, there shall be no overhanging encroachment onto the adjoining sidewalk or street; and
 - (c) Advertising signs may be permitted as a conditional use subject to the provisions of Section 9 of PART II and Section 14(2) of PART IV.
