### **Committee Name**

- Committee name: Interlake Healthcare Sustainability Committee

### **Mandate**

- Committee mandate is to bring together communities, municipalities, healthcare representatives and appointed members from the Interlake to discuss any and all local healthcare issues in order to provide a forum to plan and implement solutions!

### **Objectives of the committee:**

- provide a community perspective about the impact and delivery of health care services in our communities (accessibility, quality, equity, etc.)
- share our perspective with the IERHA about the impact & delivery of health services to assist in planning and delivering better care in our communities
- inform our communities about IERHA activities
- encourage the communities to think regionally within the local perspective and to understand the broader system-wide issues in health care.

### **Executive**

- Length of term is one year
- Positions:

David Oakley	Chairman
Bert Campbell	Vice Chairman
Michael Ledarney	Secretary

### **Meeting Structure**

- Meetings are held monthly
