Interlake–Eastern
Regional Health Authority

Please note our emergency departments are still open for care during the COVID-19 pandemic

If you are experiencing a health-care emergency, dial 911 or your local 10 digit emergency number.

Please continue to call your primary health-care doctor or nurse practitioner for all other health-care concerns.

If you don't have a primary care provider, call 1-866-690-8260 to be connected.

All precautions are in place in our facilities to protect the public so please seek help if you need it.
